

Survey Questions

Begin the survey with this question: *"I'm working on a project and I'm hoping you can help me out. May I ask you a few questions?"* Also instead of saying, *"may I ask you a few questions"* substitute *"and I'm asking people if you could ask God one question.....what do you think?"* This way they are already involved and you do not leave them an easy out. Use this form in conjunction with a clip board to help guide you through a set of questions geared to form a biblical gospel presentation. For more tips visit our blog at www.HeartsForTheLost.com
